

The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry  
(Berufsgenossenschaft Rohstoffe und chemische Industrie - BG RCI) hereby certifies that

**Infraserv Höchst Prozesstechnik GmbH**  
**Industriepark Höchst**  
**65926 Frankfurt**

meets the requirements of systematic and effective occupational safety and health on the basis of the

**»Systematic Safety« seal of approval**

for the industry-specific implementation of

**ILO-OSH 2001**  
**guidelines on occupational safety and health management systems**  
**(International Labour Organization).**

The assessment also proved that the

**ISO 45001:2018**

guidelines are implemented and that an

**Occupational Health Management**

has been established according to the common quality criteria for an OH-Management of the German social accident insurances.

The investigation on 10th November 2021 was carried out in accordance with the DGUV procedural principles 311-002 for the assessment of „occupational safety and health management systems“.

**This certificate will remain valid until 09th November 2024.**
